

Welcome to “Membership Month!”

Hopefully by now, you have received your renewal packet, which includes your Permit Agreement (double-sided), a Message from the Board (double-sided), a 2022 Calendar of Events, our Notice of Updates to Membership Rules, and the National Park Service 2022 Guidelines. Please be sure to review all documents, including the updated 2022 rules.

Your Permit Agreement must be delivered to the shed or postmarked by March 1st, 2022. Late permits are subject to a \$10 late fee or nonrenewal. It is strongly suggested that you return the agreement as soon as possible.

If you cannot meet the **March 1st deadline**, please contact the Board. **We are here to help!** There is a high demand for garden space and your early completion will make it easier for us to address those on the wait-list.
